DETAILED ACTION

1. The Examiner has taken a step back and reconsidered the administrative file together with any relevant prior art to determine whether the term "inhibits" has a clear and definite meaning on this record. The term has been found to be definite and is considered to have its broadest reasonable interpretation, i.e., any measurable inhibition above a background level.
2. The Examiner has taken a step back and reconsidered the administrative file together with any relevant prior art to determine whether the phrase "the isolated peptide has a three dimensional structure complementary to the three dimensional structure of the second peptide" has a clear and definite meaning on this record. The term has been found to be definite and is considered to have its broadest reasonable interpretation, i.e., a three dimensional structure complementary to the three dimensional structure of the second peptide such as is illustrated in Figure 12
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dr. Gerald Ewoldt whose telephone number is (571) 272-0843. The examiner can normally be reached Monday through Thursday from 7:30 am to 6:00 pm. A message may be left on the examiner's voice mail service. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christina Chan can be reached on (571) 272-0841.
4. **Please Note:** Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>.
